

REMARKS/ARGUMENTS

In this amendment, claim 19 has been amended to correct two minor inadvertent language errors that were recently discovered.

Although this amendment is being submitted after the mailing of the Notice of Allowance, and although an amendment may not be made as a matter of right after the mailing of the Notice of Allowance, Applicants submit that entry of the amendment is appropriate to eliminate the effect of two minor inadvertent errors that were recently discovered. Applicants also submit that the amendment does not require any additional search, that only a cursory review of the record is necessary, and that the amendment does not involve materially additional work on the part of the USPTO. Accordingly, Applicants respectfully request entry of the amendment under the provisions of 37 C.F.R. § 1.312.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
